

AFFORDABLE CONNECTIVITY PROGRAM

helps low-income
households pay for
broadband service

The Affordable Connectivity Program (ACP) is a Federal Communications Commission program that helps connect families and households struggling to afford internet access. It provides a discount of up to \$75 per month toward broadband service for eligible households on qualifying Tribal lands.

Contact your preferred participating provider, such as Salina Spavinaw Telephone Company, INC, to select a plan and have the discount applied to your bill.
